Belgrade, April 17th, 2003

Your Excellency,

We would like to take this opportunity to extend congratulations to the people and the Government of the Czech Republic, on the occasion of historic event of accession to the European Union.

We feel that magnificent expansion of the European Union to the Central and Eastern Europe creates great source of inspiration for citizens of Serbia and Montenegro to continue supporting pro European political forces in our country.

Hoping for extended and deepened cooperation of people of Czech Republic, European Union and Serbia, I remain,

Faithfully yours,  
Danijel Pantić  
Secretary General
