Application procedure

Applicants are required to send a full CV (including date of birth) and a motivation letter in English. All lectures are in English, so you should have a very good level of written and spoken English. You should also have a sound knowledge of the European Union, and most of all: be enthusiastic and motivated!

This training is aimed at university students only, with little or no professional experience, the age limit is therefore 30 years.

Confirmation

We advise you not to book any plane tickets before you have been confirmed. If your candidacy is accepted, we will ask you to proceed with the payment of the fee. You will only be confirmed once you have paid the registration fee.

Cancellation

If you should cancel your participation after having been confirmed, please note that any expenses resulting from this will be billed to you. For this purpose, you will be asked to send us the details of your credit card. These will be given to the hotel that we have booked as a guarantee for any cancellation on your part.

VISA and passports

If you require a visa to travel to Brussels, remember to make your request in good time. Once your registration is in order, the EMI can send you the necessary invitation letter for your visa request.

We will also ask you to send us your passport number and home address as we have to give it to the security services of the various EU institutions that you will be visiting.
