Mr. Ditmir Bushati

Executive Director of EMA

Belgrade, April 29th 2009.

Dear Mr. Belortaja and dear Mr. Bushati,

On behalf of the European Movement in Serbia we would like to express sincere satisfaction with Albania's file of the EU membership application.

The application for the EU membership of your country is encouraging event not only for Albania but also for her neighbours especially those that should soon follow towards the next significant step in the EU accessions process.

There is a long way ahead of Albania and Western Balkans before the full EU membership is achieved but the process of reforms and fulfilment of necessary criteria is one that surely leads towards better life for our citizens, and stable political environment and prosperous economy.

With hope that our cooperation will be intensified in the future for the benefit of our countries and citizens on our common path towards European future we remain

Sincerely yours,

Živorad Kovačević
