Belgrade, 19th April 2019

Dear Mr. President,

In the wake of Europe Day 2019 and important incoming events which will mark the European Union in the years to come, such as Sibiu summit and elections for European Parliament, we are honored to forward to you the common Petition of Civil Societies Organizations from the Western Balkans.

We are sure Mr. President of your conviction of importance of European integration process for Western Balkans societies and peoples, in a similar manner that was the case for Central and East European countries which are already members of the EU, including your own country. In this regard, your personal support will be of critical importance for the future progress of Western Balkans integration into the European Union that should be kept high in the agenda of EU institutions.

We would appreciate very much, Mr. President, if you could share our appeal with your colleagues of the European Council.

Yours sincerely,

Mihailo Crnobrnja
